Quest for Gold – Ontario Athlete Assistance Program 2011-2012
ATHLETE SELECTION CRITERIA TEMPLATE

Quest for Gold – Ontario Athlete Assistance Program 2011-2012 (OAAP) is funded by the Government of Ontario, through the Ministry of Health Promotion and Sport (MHPS), and operated through the Sport, Recreation & Community Programs Branch. The overarching goal of the *Quest for Gold* – OAAP is directly related to the Enhanced Excellence goals of the *Canadian Sport Policy* – to improve the performance and number of Ontario athletes performing at the national and international level; thereby contributing to the improved performance of Canada at international competitions. Specific objectives of the program are:

- a) To help athletes continue their pursuit of athletic excellence at the highest levels of national and international competition;
- b) To encourage athletes to stay in Ontario to live and train;
- c) To compensate athletes for earnings lost while training;
- d) To enable athletes to successfully pursue excellence in sport while fulfilling their educational goals;
- e) To increase athlete access to improved high performance coaching; and
- f) To enhance training and competitive opportunities available to athletes.

The program will provide direct financial assistance to Ontario junior-aged athletes through an “Ontario Card” designation. “Junior-aged athlete” is defined as those athletes who fall within the eligible age range for the Canada Games - 11 to 22 years of age. A PSO/MSO with a NSO-approved Long Term Athlete Development Model (LTADM) that identifies older athletes in the “Train to Train” and “Train to Compete” categories may apply to MHPS for a variation to this 11-22 age range. A PSO/MSO may choose to allocate a maximum of 30% of its carding allotment to athletes older than 22 years of age who have been identified as a potential next generation national team athlete by the PSO/MSO’s selection process.

The intent of the OAAP is to provide funding to individual athletes based on their demonstrated commitment to high performance sport, allowing them to pursue athletic excellence at the highest levels of national and international competition.

How does it work?

In accordance with the OAAP guidelines, Ontario Sailing is responsible for developing sport specific selection criteria and forming a Selection Committee that will apply the criteria to select those athletes who will be awarded Ontario Card status in 2011-2012. The Selection Criteria are approved by the Board of Directors and reviewed by MHPS staff. Nominated athletes will be required to sign and comply with an Athlete Agreement between the athlete and Ontario Sailing. Carding status will be for one year starting April 1, 2011 ending March 31, 2012.

In 2011-2012, the MHPS allocated a certain amount of OAAP Ontario Cards to each eligible Provincial Sport / Multi-Sport Organization (PSO/MSO). Ontario Sailing has been allotted a total of 12 Ontario Cards (split evenly as 6 male and 6 female Cards).

Category	Number of cards
Olympic Class Athletes	8 Full Cards (4 male, 4 female)
Paralympic Class Athletes	4 Full Cards (2 male, 2 female)

The Selection Committee, which has been approved by the PSO/MSO Board of Directors is comprised of the following members:

Donna Scott, President, Ontario Sailing

Murray McCullough, Provincial Coach, Ontario Sailing

Jeff Beitz, Member, Athlete Development Committee, Ontario Sailing

How much funding is available?

The exact level of funding for the 2011-2012 carding year will be determined by the MHPS after the total number of athletes nominated for Ontario Card status has been determined. Funding will be released prior to March 31, 2012.

How will the Ontario Sailing Selection Committee decide who receives funding?

The Ontario Sailing Selection Committee will use both the Ministry of Health Promotion and Sport Eligibility Criteria and the Sport Specific Selection Criteria detailed below to determine which athletes will be nominated for Ontario Card status in 2011-2012:

Ministry of Health Promotion and Sport Eligibility Criteria:

All athletes must meet the Ministry of Health Promotion and Sport's minimum athlete eligibility criteria:

- Athlete must be a Canadian citizen or landed immigrant.
- Athlete must be a permanent resident of Ontario **for one year prior** to his/her nomination for carding status.
- Athletes who have achieved Canada Card status are not eligible for Ontario Cards.
- Athletes must be living in and continuing to train in Ontario. Exceptions shall be made **on a case specific basis by the PSO/MSO Selection Committee** provided that the athlete can substantiate in writing at the time of application/nomination for carding status that:
 - (a) He/She cannot receive the required level of training in Ontario and is out of the province **temporarily** during the year (i.e. due to lack of facilities, coaching, competitions);
 - (b) He/She must attend a post-secondary institution out-of-province either because the course of study is not offered by an Ontario institution: or
 - (c) It is more financially feasible to attend a post-secondary institution out-of-province, or other extenuating circumstances that require the athlete to be out of the province.

The onus is on the athlete to demonstrate that he/she needs to be out-of-province for one of the above reasons. Any documentation required to clarify this "residency exception" must be submitted in its entirety to the **Ontario Sailing** Selection Committee by no later than **Friday December 2nd, 2011** in order to be considered. Documentation related to exception (a) above may include, but shall not be limited to, a letter from the athlete's NSO outlining the following, as well as any other pertinent information:

- why the athlete is training out of province;
 - whether or not the athlete was formally invited by the NSO;
 - what additional opportunities are being made available beyond those provided in Ontario; and
 - any other information that will illustrate that the athlete is receiving enhanced training while still meeting all obligations of Ontario Sailing.
- Athlete must be a member in good standing with PSO/MSO and NSO where applicable;
 - Athlete must have entered into a Sports Organization - Athlete Agreement with his or her PSO/MSO and must be in full compliance with the terms and conditions of that agreement;
 - Athlete must have met all terms and conditions of any previous *Quest for Gold* Sports Organization – Athlete Agreements to the satisfaction of the PSO/MSO in order to be eligible for consideration in 2011/2012;
 - Athlete must demonstrate a commitment and dedication to a proper training and competitive program;

- Athlete's coach must be minimum Level 2 NCCP certified or trained status Competition Stream or the sport's equivalent in the Instruction Stream;
- Athlete must not be under a sanction that prohibits competition as per the Canadian Anti-Doping Policy;
- Athlete must be attending an educational institution full-time (i.e. elementary and secondary schools):
 - Exceptions will be made provided that the athlete can substantiate that his/her training will not allow for full-time attendance or if an athlete requires special needs that preclude full or part-time attendance (e.g. Athlete with a disability (AWAD) athlete);
- Athletes who have completed their area of study at the secondary level (i.e. high school) and who continue to train towards participation in major national or international competitions will also be considered;
- If eligible, the athlete must compete, and continue to compete solely for Ontario and/or Canada for one year from the date of the Minister's letter informing the athlete of acceptance into OAAP program, at Canada Games and other national competitions involving provincial team competitions;
- Athlete must not receive financial support from any other provincial/territorial athlete assistance program. This does not include academic scholarships, bursaries, student grants, student loans, social assistance, disability pensions, and other forms of financial assistance that have nothing to do with competitive sport.
- Eligibility will be limited to Ontario junior-aged athletes, ages 11-22 ("junior-aged" refers to chronological age, not a sport's specific age category - only exception is for PSO/MSOs using 30% of Ontario Card allotment for athletes older than 22 years of age who have been identified as a potential next generation national team athlete by the PSO/MSO's selection process.

Residency Exemption for Military Families: The one-year Ontario residency requirement is waived for any Ontario Card or Canada Card applicant who is a spouse or dependant of a: Regular Force member of the Canadian Forces; or Reservist currently deployed by the Canadian Forces into active service and who takes up residence in Ontario during the fiscal year. This means that eligible military family members now qualify for OAAP funding immediately upon becoming residents of Ontario. Please see the 2011-2012 *Quest for Gold* Athlete Handbook for details of this exemption, including a list of documents needed to verify eligibility for this waiver of the one-year Ontario residency requirement.

Important Notes:

- To be deemed a potential next generation national team athlete, the athlete must be age-eligible to compete on the national team in the year following receipt of Ontario Card funding.
- An athlete that received Sport Canada Carding during any part of MHPS' fiscal year April 1, 2010 to March 31, 2011 and/or any part of fiscal year April 1, 2011 and March 31, 2012 and is no longer in receipt of Sport Canada Athlete Assistance shall not be eligible to receive *Quest for Gold* funding during fiscal year 2011-2012 (April 1, 2011 to March 31, 2012.) The intent of this rule is to prevent athletes whose performance levels and rankings no longer qualify them for Sport Canada carding from taking an Ontario Card from a future national-level athlete. However, exceptions may apply and will be considered by the MHPS on a case-by-case basis. Exceptions may include, but may not be limited to logistical or administrative changes (ex. reduction in Sport Canada carding allocation), injuries, etc. Ontario Sailing must contact MHPS in writing prior to the submission of the Athlete Nominations to seek individual exceptions.
- All athletes under the age of 18 must have their parent or legal guardian sign their OAAP application form. Cheques will be processed in the name of the eligible athlete.
- An athlete can only be nominated to receive *Quest for Gold* funding in one sport.
- Athletes who are attending any foreign post-secondary educational institution (including NCAA institutions) and are receiving an athletic scholarship in any sport are not eligible to receive OAAP support.
- The onus is entirely on the athlete to determine the impact of accepting OAAP funding on current or future NCAA eligibility and to decide whether or not to accept OAAP funding. The athlete will be

required to acknowledge this onus and responsibility when signing the OAAP Ontario Card application form and agreeing to the related terms and conditions of the program. Athletes are strongly encouraged to contact the NCAA Eligibility Center to determine the impact of *Quest for Gold* - OAAP funding on current or future eligibility for a NCAA scholarship or on eligibility to compete in a non-scholarship NCAA sport.

Athletes funded through the Sport Canada AAP:

Ontario athletes who have been nominated and accepted for funding through Sport Canada's AAP within the government of Ontario's fiscal year (April 1, 2011 to March 31, 2012) and who continue to meet AAP and OAAP eligibility requirements will automatically be considered for a *Quest for Gold* 'Canada Card'. MHPS will contact those athletes directly at the mailing and email addresses the athlete provided to Sport Canada. Athletes are solely responsible for ensuring that their contact information is kept accurate and up to date at all times.

Sport Specific Athlete Selection Criteria:

The following sport specific athlete selection criteria will be utilized in the identification, ranking and selection of athletes for Ontario Cards:

- Applicants sailing Olympic/Paralympic Classes will be given priority and if there are insufficient applicants sailing Olympic/Paralympic Classes, applicants sailing Development Classes will then be considered.
- If available an Alternate athlete will be selected in each category. In the case where an originally selected athlete is unable to accept funding the procedure for selecting the alternate will be used. (see **ALTERNATES** below)
- Athletes must be a member in good standing of the Ontario Sailing Team and team fees for 2012 must be paid at the time of the Quest for Gold Application submission in order to be considered.
- Athletes will be ranked using the following 3 categories
- All applicants must attend a testing and interview process scheduled for November 20th 2011

1) Regatta Results from 2010 and 2011

30 points (20 points for 2011 results, 10 points for 2010 results). Results will be calculated using the low point scoring system to develop a ranking. Lowest score overall will be awarded the full 30 points. The next lowest score will be awarded 29 points, and the next will be awarded 28 and so on. **Multiplier**- The result in a particular regatta will be subject to the indicated multiplier. Once the multiplier is assessed your score will be calculated to determine a percentile. (eg. 2011 CORK result = 5th out of 20 x multiplier of 2 = new placing 10th – 10/20 = 0.50 or 50%) The percentage of 3 regattas will be added together and divided by 3 to determine the average score for that year.

2) Yearly Training Schedule

The YTP and YFP templates will be scored based on completeness with a total of **10 points** per template available. The following chart outlines the scoring for this element. The GAI template is for information purposes only.

Percent Complete	Scoring
100%	10 Points
80%-99%	8 Points
60%-79%	6 Points
40%- 59%	4 Points
20%- 39%	2 Points
0% - 19%	0 Points

3) Training Camp Participation

Training camps will be weighted equally with 3 points awarded per training camp attended to a maximum of 12 points. All information about a training camp must be included to score any points for that camp. Regular day-to-day training is not considered a Training Camp and will not be scored.

- An athlete who previously received *Quest for Gold* funding and entered into a Sports Organization – Athlete Agreement must have complied with the terms of that agreement to the satisfaction of the PSO/MSO in order to be considered for funding in fiscal 2011-2012.

Breaking a Tie:

If there is a tie in the final score between 2 athletes Regatta results from the most recent year will be considered in accordance with the Racing Rules of Sailing and Section A8 applies:

A8 SERIES TIES

A8.1 If there is a series score tie between two or more boats, each boat's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the boat(s) with the best score(s). No excluded scores shall be used.

If there is still a tie then the regatta results from the next most recent year will be used.

Failure to Meet Selection Criteria for Health-related Reasons

Athletes who, for strictly health-related reasons, have not achieved the standards required for nomination of carded status **may** be considered for nomination under the following conditions:

- The athlete has fulfilled all reasonable training and rehabilitation requirements aimed at a speedy return to full high-performance training and competition during the period of his or her injury, illness or pregnancy and, despite making every reasonable effort to attain the applicable carding standards during the year in which the injury, illness or pregnancy occurred, has failed to do so, in the view of the PSO/MSO, for reasons strictly related to the injury, illness or pregnancy.
- Ontario Sailing, based on its technical judgement and that of a PSO/MSO team physician or equivalent, indicates in writing the expectation that the athlete will achieve at least the minimum standards required for carding during the upcoming carding period.
- The athlete has demonstrated and continues to demonstrate his or her long-term commitment to high-performance training and competition goals, as well as his or her intention to pursue full high-performance training and competition throughout the carding period for which he or she wishes to be renewed despite not having met the carding criteria.
- If an athlete is unable to compete in competition and therefore unable to submit results during the year prior to carding due to a documented injury and strictly follow the able condition the results

from the same competition(s) during the previous season will be used to determine the most recent year's results.

Alternates: Ontario Sailing will also nominate alternates to those athletes nominated for Ontario Card status. Alternates will be those athletes who are ranked directly behind those athletes nominated for the allotment of Ontario Cards in a particular category/discipline. The names of alternates will be published along with the names of nominated athletes. If an athlete drops out or is removed from the OAAP an alternate will be substituted into that athlete's position, provided that:

- Alternate is substituted within 2011-2012 fiscal year;
- An alternate is available from the same category/discipline/card level (Full/Half);
- Funding for athlete being substituted is still available within fiscal year (e.g. full funding for card has not already been paid out to athlete no longer in program).

Appeals

Athletes who have not been nominated for an Ontario Card by the Ontario Sailing Selection Committee or who have been nominated for a 'Half Card' versus a 'Full Card', where applicable will be allowed to appeal that decision by filing a "Notice of Appeal" with MHPS. Appeals will be heard by an Appeals Committee comprised of representatives from the sport community, selected by the MHPS.

Grounds for appeals will be limited strictly to issues related to:

- A) Whether or not the Selection Committee has completed the selection process in accordance with its own published selection criteria and related procedures;
- B) Whether or not the Selection Committee applied the selection criteria in a manner that was free from bias, discrimination and/or conflict of interest.

Please note that before an athlete can file a Notice of Appeal, he or she must first ask Ontario Sailing for reasons explaining why he or she was not nominated for an Ontario Card.

If the athlete is not satisfied with the PSO/MSO's response, the athlete may submit a Notice of Appeal, found below. A Notice of Appeal will only be accepted on the MHPS-provided template (typed or hand-printed, no hand-written entries) through email, regular post, registered mail, courier or delivered in person. The Notice of Appeal must be received by MHPS by 4 p.m. on the deadline day. Appeals that are delivered personally or by courier shall be deemed to be received on the date of delivery.

Once MHPS has received the Notice of Appeal, it will share it with Ontario Sailing, who will then have an opportunity to file a "Response" with MHPS by a specified deadline. The Response will outline why Ontario Sailing believes that the Selection Committee's decision not to nominate the athlete should be upheld by the Appeals Committee. MHPS will share the Ontario Sailing Response with the athlete.

If, after receiving the Ontario Sailing Response, the athlete believes that Ontario Sailing has raised new or additional reasons to justify the Selection Committee's decision not to nominate the athlete for an Ontario Card, then the athlete will have an opportunity to file a "Reply" with MHPS, responding to these additional reasons. The Reply must be limited to these additional reasons and cannot be used to make submissions already raised in the Notice of Appeal, or that the athlete neglected to include in the Notice of Appeal. The Reply will only be accepted on the MHPS-provided template.

Once MHPS receives the Notice of Appeal, the Response, and the Reply (if applicable), it will provide those materials to the Appeals Committee. The Appeals Committee will discuss all appeals at once. During its review of the appeals, the Appeals Committee reserves the right to request additional information from both the athlete and Ontario Sailing.

After reviewing an appeal the Appeals Committee will have the authority to:

1. Direct Ontario Sailing to redo the selection process using the correct criteria/process and submit a new list of nominated athletes;
2. Deny the appeal; or
3. Allow the appeal and nominate the appellant for carding status.

Once the Appeals Committee has reached its decision, it will contact the athlete and Ontario Sailing in writing to communicate its decision and the reasons therefore.

An athlete who has had his or her appeal denied is not permitted to submit a second appeal to the Appeals Committee on the same or different grounds.

Note: Ontario Sailing is encouraged to resolve disputes or disagreements informally with athletes who have not been nominated to avoid, wherever possible, formal appeals.

The deadline for athletes to submit an "**Athlete's Notice of Appeal**" to the Appeals Committee is

Cycle Two: January 26, 2012.

Appeals must be completed on the Notice of Appeal template below and will be directed to:
