

## **What is the Fundamental Course?**

The Fundamental Course is the first step in the coach's career. Successful completion of this course will enable the coach to attend further clinics such as Learn to Race or Learn-to-Sail coach clinics. The Fundamental Course has been developed to provide an opportunity for the coaches to reflect, problem solve, collaborate with peers and continue to build on knowledge from previous experiences, skills and new knowledge acquired from the clinic.

This course is replacing the National Coaching Certification Program (NCCP) Introduction to Competition Level A and B and is required under the new NCCP system.

This course is mandatory for anyone taking a coach/instructor development clinic.
