

## CMWA SOCIAL EVENT 2010

### WOMEN WINDSURFING WITH WOMEN June 18-20

#### Burgess Enclave, Port Bolster, Lake Simcoe

The CMWA is hosting its annual weekend for women in windsurfing. There will be no formal clinic this year. Everyone will be around to share their knowledge and experience. The focus will be more time on the water together in a more relaxed atmosphere. Andrée and Bob will also offer tips for all levels of windsurfers from beginner to advanced sailors. All ages are welcome.

Whether you have windsurfed before or have never stepped on a board, this weekend will allow you to learn and practise in the company of other women who love the sport. Bring your own windsurfing equipment (borrowed or rented). It will be a fun filled social weekend for everyone.

There may be special guests to work with you before or after being on the water.

The Burgess Enclave is located on beautiful Lake Simcoe in Port Bolster. There is plenty of grassy rigging area with access to the sandy shallow beach. It is ideal for all levels of sailors.
