In-Water BOAT SHOW

August 26, 27 & 28 2005

The 15th Annual Port Credit in-water Boat Show will be once again gracing our shores Aug 26 through 28, and we would like you to participate as our guest. This show has grown to over 75 in water boats and many interesting land and under the big tent displays.

The Port Credit in-water Boat Show has proven to be a great medium for providing boaters with information about boating safety and regulations. Here the unique groups, clubs and societies that exist within the boating community have a magnificent opportunity to gain exposure. In previous shows we have been able to accommodate displays by the Peel Police Marine Unit, Canadian Coast Guard, Towarf, Mississauga Fire Department, Canada Customs and Immigration, Ontario Sailing Association and the Port Credit Power and Sail Squadron. We continue to expand our special interests area and would like you to bring your exhibit or demonstration to the Show.

We can accommodate in-water and trailered boats, display trucks, tables and booths. If you are interested in this opportunity, please contact me before July 15th, 2005. I will need to know what you are bringing and how much space you will require.

Please call me, Lori Mason, at (905) 278-7005 or Fax (905) 278-5758
