### Breast Cancer Weekend Walkers

We all leave a mark on the world. The Weekend to End Breast Cancer benefiting Princess Margaret Hospital can be yours. During one amazing weekend, September 7th - 9th, 2007, thousands of women and men will unite in Toronto to walk 60 kilometres in a bold display of courage and commitment. It's a weekend of hope, as we honour lives lost, celebrate survivors, and help bring breast cancer care to those who so desperately need it. The money you help raise will benefit Princess Margaret Hospital, a leader in the fight against breast cancer. One in every nine Canadian women will be diagnosed with breast cancer. Maybe someone in your life has been affected. The Weekend to End Cancer is your chance to make a difference; it's your chance to leave a mark in the fight against breast cancer. ### Derek Hatfeild - Spirit of Canada

It takes tremendous courage, determination and persistence to sail around the world alone. Only 126 brave sailors have ever done it. Derek Hatfield's story is truly inspiring. [www.spiritofcanada.net](http://www.spiritofcanada.net)
