

# WOW - WOMEN ON THE WATER

## November 3 & 10

### Port Credit Yacht Club - [www.pcyg.net](http://www.pcyg.net)

Ahoy all women boaters - or any women interested in learning how to boat. Join, **WOW - Women On The Water** November 3 & 10, for two evenings about boat handling and boat safety. **WOW** was established by Lori Mason, seasoned boater and owner of The Store Mason's Chandlery, to provide a place for women to chat and learn about boating.

First evening is about boat safety including man-overboard procedures, safety equipment and safety techniques. The second evening is all about boat handling - how to do a three point turn in your sailboat, green boating, knot tying and anchoring.

But as Lori says, 'It doesn't matter whether you are a skipper or a first mate, there's always something to learn and share about boating'. It's an evening of exchanging and sharing experiences, asking questions and making new friends. There will be a lot of takeaways and great information.

Evening sessions begin at 7:30 PM and run through until about 9:30 PM with a short wine break. If you are coming from work, join us for dinner at the WOW table. It's BYO dinner - but there's usually a group of us. Cost is \$10 per evening.

Pre-registration is required so that we have enough takeaways. Email [info@thestoremasons.com](mailto:info@thestoremasons.com) or [wow.womenonthewater@gmail.com](mailto:wow.womenonthewater@gmail.com).

**Attn New Boaters:** Port Credit Yacht Club is located on Lakefront Promenade off of Lakeshore Avenue. It is not the Port Credit Harbour Marina located on Port Street. Please consult the Port Credit Yacht Club website at [www.pcyg.net](http://www.pcyg.net) for directions.
