

North U.

Hosting a North U Seminar at Your Club

Host a North U Seminar at your club! The course is a full day program and runs from 9:00 – 5:00.

Ontario Sailing is looking for yacht clubs wishing to host a North U course between February and April 2012. Ontario Sailing will look after all registration, course materials, instructors and other related items. As a host, your club will keep any food and beverage sales.

Marketing

Ontario Sailing will look after all marketing and promotion of the seminars through its website, newsletters and other means.

Site Requirements

We'll need the following at the seminar location:

The room needs to be dark enough to see our presentation. Don't forget, the sun is out during the day.

- Classroom style set up, with tables and chairs (participants like to take notes)
- LARGE screen, preferably 8x8 or as close to these dimensions as possible
- Control over lighting (too many windows and no window coverings will present a problem)
- Projection table with power. (We bring our own projector and computer. Backups are welcome.)
- White board or black board.
- Registration table
- Catering for breaks and lunch

Cost

There are no up-front costs for the club to host a North U seminar. All we require is a room that can accommodate up to 100 people, set up as described above. Ontario Sailing asks this room be donated for the day as we are helping your club members.
