

Sailors racing for Hospice Care in Toronto:

Four years ago a group of avid racers and volunteers started something new on the GTA sailing scene...

A ***One Design Regatta*** as a means of raising awareness and money for local hospice.

The Toronto Area Hospice Regatta ("TAHR") is now headed towards its 4th year and expects its net proceeds to Perram House to top the \$100,000 mark.

Perram House is a beautiful old Victorian inner city home that has been transformed into an end of life care facility able to accommodate 9 residents at one time. (www.perramhouse.ca)

The event takes place at the National Yacht Club June 17th-19th at the foot of Bathurst Street in Toronto. It has become well known for its exciting entertainment, fabulous food & drinks, and competitive racing. (www.thenyc.com)
