TIMER	
ATTENDEES	David Sprague ,Irene McNeill ,Jake Starr , John Weakley , Mark Searle, Ross Cameron, Graham Dougall

START @	1845	FINISHED @	7:25
----------------	-------------	-------------------	-------------

1	2012 Course Schedule		Sprague
DETAILS	As attached. Need to confirm Manitoulin Island and FBYC		

2	CYA SNRO March		
DETAILS	All members are to look at list of 1&2's and see who can be called to get more participants. The OSA would like to thank CYA for holding the session in Ontario.		

3	From 2011 Summit it was agreed that longer service RO's should be encouraged to share their experiences at the SNRO course		
DETAILS	A number of Senior RO's will be doing sessions at the SNRO. OSA Encourages this.		

4	Update of Level 2 OSA RO course		
DETAILS	Ross, Irene and Graham will be discussing the level 2 slides shortly and Ross will update as required.		

5	Race Management Summit		
DETAILS	It was agreed that the CYA Race Management Summit held 2011 was a great initiative and it was suggested that they be held annually if possible. It was suggested that one in 2012 could focus on the new rules as well as help keep the		

	RO group a more productive group. We could also look to other countries for new initiatives that could be shared at these types of events.

6	Train the Trainer – Course Conductors Course		
DETAILS	The value of a Course Conductors Course use to be run was agreed and Irene will continue to work on that at the CYA level. Ross offered to help as he had been involved with the original course. David expressed that that type of a course would be a more relevant course for many to help them be good course conductors rather than taking a SNRO course to requalify for their Level 1&2 Course conductor renewals.		

7	Next Meeting		
DETAILS	To be determined after the SNRO Course
